Finish	Matte/Satin (low gloss)
Film Thickness	6mil
Adhesive	Clear, pressure-sensitive, repositionable, solvent acrylic
Transparency	Clear
UV Resistance	99%
Warranty	5 Years
Application	Wet application recommended

### Description

The Xe ARF Film is an anti-reflection film that allows you to have perfectly clear and transparent windows, free of any unsightly reflections.

### Method of application

The surface to be bonded must be free of dust, grease or any other contaminant. Some materials such as polycarbonate can cause bubbling problems. A compatibility test is therefore recommended. Possibility to install on plexiglass and polycarbonate.
